

I Want You (To Rock'n'Roll)

***Music and Lyrics:
Rainer Escheberg***

**it's not a question of time
it's not a question of rhyme
it's not a question of life
it's not a question of style**

**it's just a question
of what you feel inside
and when you feel it
you know the feeling's right**

**i want you to rock
i want you to roll
i want you to rock
we want you to rock 'n' roll**

**it's not a question of wealth
it's not a question of health
it's not a question of pride
not a question to hide**

**it's just a question
of what you feel inside
and when you feel it
you know the feeling's right**

**i want you to rock
i want you to roll
i want you to rock
now we want you to rock 'n' roll**
